Editor's Letter

I've heard it said that we are at the dawn of a new age, where the future is tangible, fluid and deeply interconnective. But underneath this march of A.I., we are all still primal beings, thankfully, with primal urges, and if this month's ladies are anything to go by, you will be feeling the call of the wild with unbound urgency and a racing pulse to boot. For who could resist the wholesome sights of Anastasia Black, Beth Bennett, Elle Alexandra, Tindra Frost or Tina Kay? Find me such a person, and I'll personally donate them to medical science as an investigation into a new species. For there is something about these ladies that fills us with excitement, and we can only hope you feel the same.

Michelle Thorne's SPUNKMAIL

Anything to say about our last issue? Then this is the place to do it! Come on, Michelle's gagging for it!

Dear Michelle,

I had hoped that I would lose my innocence when I started going to college. What I hadn't realised was that I wasn't innocent – I just hadn't had any opportunities! Coming from a small village where everyone knew everything about everyone had hampered me as I looked to explore my sexuality. Even when I had managed to get into sexy situations, the walls were thin, the beds squeaky and the neighbours' curtains twitched. There had been no escaping the sexual stranglehold on my life. I was 18 and still practically a virgin. I was desperate to lose my naiveté, so headed out to college inexperienced but very willing to learn.

College was a melting pot of opportunities. I found myself swept into a small gang of girls – one which seemed to attract more than its fair share of male attention. I don't know that we were any prettier than the other girls, but by following Sally's lead, we were certainly seen as sluttier. Sally had a

reputation and one that seemed to be particularly well deserved. She was everything my mum had warned me not to be. Oh, she was sweet and funny, particularly in front of parents and teachers, but it was hard to keep up with the way she went through men.

Dear Michelle,

I hope you get plenty of good feedback from readers about 85.04, because Jessica, Lucy and Charlie were gorgeous, not to mention the beautifully (un-)dressed Dani. Marie and Caroline, meanwhile, were amazing, and so naughty looking. All we need now is for someone to wave a magic wand and provide us with all the rude pictures your not allowed to show! I can't have been the only one who recognised the Julia pictures – where on Earth does the time go? 55.10 seems like only yesterday. She was one of the models I really loved at the time – I'm sure she's just as gorgeous as she ever was.

Peter, via email.

Michelle says: Well, it was nearly 30 years ago, but I don't doubt Julia's still got something about her.

That was why I was filled with a mixture of excitement and dread when she dragged me over to intercept a couple of guys after a class, saying that she needed a "wingman". My mum wouldn't have approved, but then she wasn't there to judge, thankfully. Sally did the negotiating, such as it was, and I found myself going back to her house for sex. I'd heard about 'casual' sex, but I'd never realised just how casual sex could be. I didn't even know which of the guys I was going to be having sex with. For Sally, it seemed that there wasn't much difference between offering out a cup of coffee and offering her body. As we left the campus, I was running to catch up in more than one sense.

I wasn't ready as we sat down but decided to do it anyway. It was scary but thrilling. Nick grabbed me, and before I had a chance to even take a breath, we were snogging right there in Sally's front room. Somehow it was worse doing it downstairs with the

curtains open. Perhaps I was an 'upstairs' kind of girl. Nick wasn't a bad kisser, but it was odd doing it on one sofa as Sally did the same with Callum on the other sofa. As Nick continued kissing me, he guided my hand to his crotch and pressed. I could feel the hardness hiding in there and

squeezed. Nick groaned happily and quickly fumbled with his fly. Before I knew it, his knob was in my hand. It was hard and hot and sticky, and as I moved my hand over it, Nick sighed with happy contentment.

"Bloody hell, Becca, you don't hang around!" My whole body flushed at Sally's exclamation, but a part of me was pleased. She was impressed with me and watched as I pumped my hand faster and gripped tighter.

Nick groaned again. "That feels fucking amazing," he said. I looked down, fully expecting to see spunk spurting from the tip of his cock. I

ANASTASIA

Anastasia might look like a lucky girl with a natural pool in her backyard, but we can reveal her stunning secret: she can't swim. "Don't take the piss," she pleads. "I was just useless at sports at school and never learned. I can splash about a bit, but you couldn't really call it swimming." So what's with the pool? "It came with the place. And it's not deep either, so I'm safe in it. It means I can have parties and underwater sex and all kinds of stuff. It's great to have. I just can't do any swimming in it!" Don't worry, if you're having underwater sex and all that good stuff, Miss Black, it's hardly going to waste...

...Continued from page 04

wanted to see that eventually but wanted a bit more fun first. I heard the zipper as Sally undid Callum's kecks on the other side of the room. Part of me wanted to watch her, to see what she was going to do. But part of me wanted to stay ahead of my slutty friend. Despite the open curtains, I bent down and took the head of Nick's cock into my mouth. His hips lifted fully off the couch as he thrust upwards and he immediately began muttering thanks.

His hand moved up under my skirt. My body was standing on edge, as though he was drawing his fingertips down a blackboard, rather than over the moist cotton crotch of my panties. A single finger wormed its way into my underwear, sliding slowly along my hungry pussy before piercing my flesh in a most satisfying way. It felt amazing, but a finger wasn't enough. I decided that Nick's cock was in the wrong hole. Nick made noises of protest as I let his cock slip from my mouth but stopped as soon as my loosened clothes fell away. The curtains were still open, but I didn't care as I took my knickers off and exposed every inch of my flesh to three total strangers. I mounted Nick and heard a murmur of surprise from behind as I guided the tip of his cock to the mouth of my pussy and bore down on him. I was in

heaven as I dragged my pussy up and down Nick's eager pole. For his part, he just sat there, his hands on my hips as I fucked him, building up towards a couch-clenching orgasm. It felt so good to finally let go and to be able to make as much noise as I wanted as I experienced a violent series of nerve-jangling spasms. For the first time, I didn't care who heard or saw me orgasm, and that added to the wonderful sensations.

"Sounds like you're having fun," Sally said, resting her face on her hands as she leant on the top of couch. "You could double your fun

by lifting your hips." I didn't understand what she meant until I glanced behind me. Callum was standing there with his cock jutting out from his body. My body shook with excitement. Two cocks? How did that even work? I wanted to find out. I lifted my hips, just as Sally had

instructed and felt the couch sink as Callum mounted it and then me. Nick might not have been please as Callum sank his hungry cock into my pulsating pussy – but I was. Every

CHARLIE!

Dear Michelle,

What a crock of crap most of this year has been, between viruses, protesting, and isolation, it all feels quite mad. I was relieved to have the normality of Men Only to hand as I've been on my own for some time now, so your magazine has provided some severe stimulation, with Charlie, in particular, causing a dramatic stirring in boxer department. All those curves, blond hair and a saucy smile to boot, it really looks like Charlie has it all going for her. Whoever gets to take her to bed is a seriously lucky chap! I'll just carry on fantasising it's me for now. Can't wait to see her again.

Jon, Cardiff.

Michelle says: Jon, you old charmer you! I'll be sure to pass on your compliments to the dear girl.

stroke of this new cock was delicious as Callum attacked my slippery slot with frenzied strokes. It felt so different from the control that I had had when riding Nick. The contrasting style was electrifying, and as Callum held my hips, my body promised

an even more powerful eruption. With Sally watching, I let another orgasm fire through me, screeching with delight.

I'd never had one orgasm like that before, so to have two in such quick succession was overwhelming. I was spent, but even as I sagged on the sofa, Sally made sure that I was the centre of attention. She stood in front of me and took a hold of Nick's cock. Callum looked like an outcast until Sally wrapped her hand around his cock and started pulling on it.

"Oooh, I've never done this before," Sally cooed as she wanked both cocks towards my face. I watched her, saw the concentration etched into her face as she worked both guys towards their orgasms. Then it happened – Nick cried out a warning, and my face took the full brunt of his ejaculation as Sally aimed. My eyes were forced closed, but I heard Callum make a similar noise and my face was painted by the ejaculate from another orgasm. Sally, for her part, was laughing almost hysterically as she used both cocks to hose my face with cum. It was so intensely dirty

that it was too much to bear. I masturbated, hard and fast, taking advantage of the excess sexual energy to provide another series of explosions, rippling out in delicious waves from my pussy.

As my orgasm faded, Sally used her fingers to scoop the come from my face. My eyelashes were heavy with spunk, but I managed to open my eyes wide enough to see Sally suck on her fingers.

"I don't think I've ever met a girl as sexy as you obviously are," Sally said after I'd had a shower. "Can you can teach me a few of your tricks? I'm good at picking boys up but not so good at pleasing them."

She paused for a moment, deciding whether or not to tell me something important. "The fact is I'm still a virgin."

I smiled – maybe I wasn't as far behind everyone else as I'd thought. "That's OK," I said. "I can see that you're willing to learn. That's what college is all about."

Becca, Warwick.

BETH

BETH

Beautiful blonde Beth has a charming habit of getting a little bit 'excited' on photoshoots. Spreading her legs and pussy doesn't just turn us on – it turns her on as well.

"Oh god, I've got pussy juice on the sofa haven't I?" she asks, aghast. Don't worry, it'll wipe right off. Just leave it to us after you've done the shoot. We're happy to do it.

"Erm, are you going to lick it up?" Busted. Is that disgusting?

"No, but it's a bit pointless. Why not get that tongue over here right now and taste it straight from the source..."

Oh, Miss Bennett! What a lass...

Real Life Adventures

Once last winter was over, I wanted to try something different. I had just moved up north and wanted to make new friends, so I joined a hillwalking club I saw advertised in a shop window.

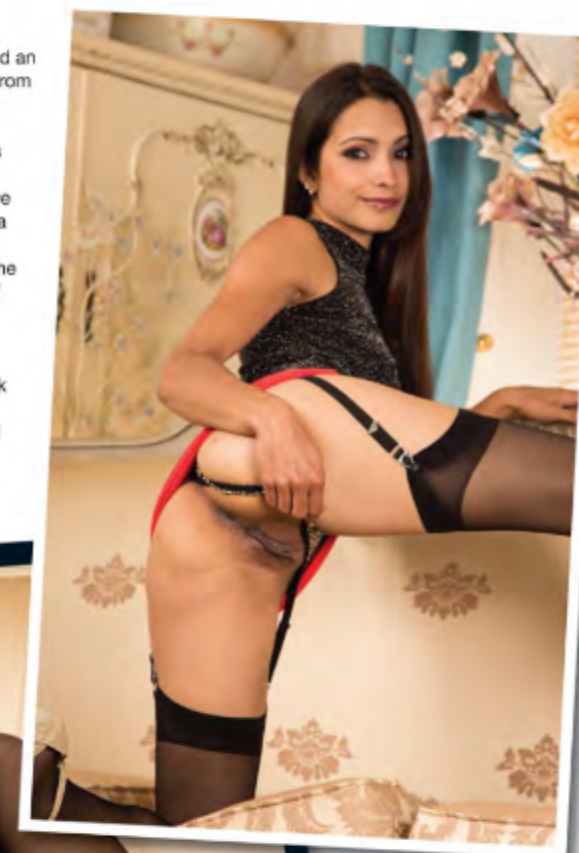

“It was still early in the year, and the cold air stung my skin, making my nipples erect.”

I like to think of myself as a good looking girl. I have dark hair, a slim figure and nice pert boobs. I have never had much trouble attracting male attention, but since moving to the town where I live all the blokes I'd met were either in a relationship or else seemed to be gay!

So the hillwalking club seemed an ideal way to meet new people from nearby towns. Besides, I enjoy being outdoors.

On Sunday the club members met at a beautiful spot at the foot of a mountain. The route we choose would take us through a small forest and then along the side of a small stream and up the hillside to a point on the side of the mountain from where we were promised some spectacular views.

Luckily there was more to look at than the countryside! Once we were all introduced and had set off, I walked in step beside a giant of a man called Bill. Bill was handsome in a rugged outdoor way,

“My pussy tingled with anticipation as my fingers wrapped around his thick shaft.”

and his hard fit body had my panties wringing wet just thinking of how he would look stripped naked. He seemed happy to walk with me, and within a few minutes, I found out

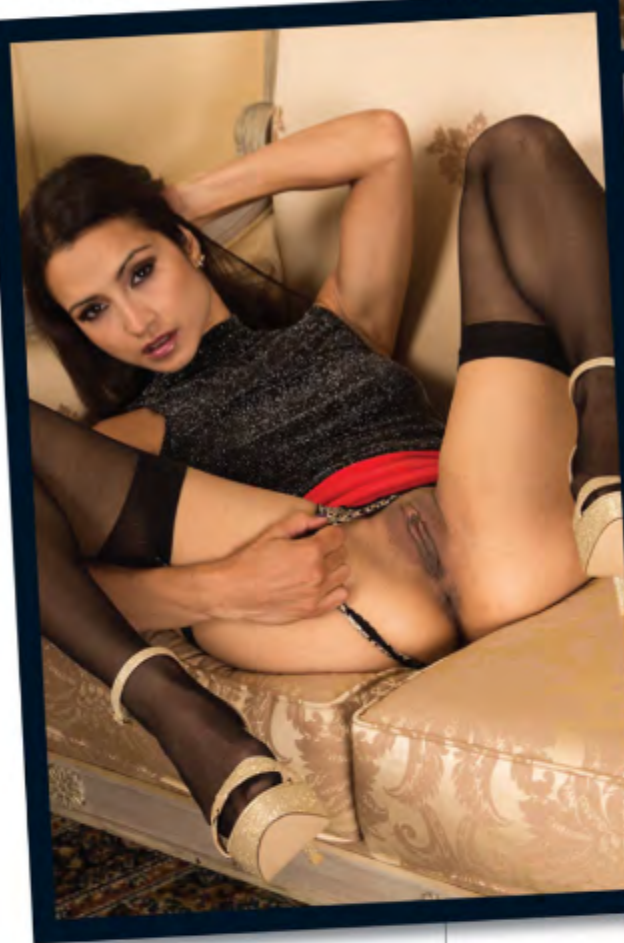

Have you girls been getting up to anything naughty lately? If so, why not write in to us - and if it's raunchy enough to use in Miss Behaviour you'll earn a downturn busting £50! that he was single and very receptive to flirtation.

After the first few miles, we two hung back a little, and once the others had moved out of sight, we pushed our way through the light branches of the trees into the woods, leaving the path. The air was still, and we could hear the voices of the others fading. Bill pulled me into his strong arms and kissed me passionately. His amorous approach almost took my breath away, but I was feeling so aroused by his vast frame that I vigorously returned his advances.

My hands groped down the front of his jeans as he kissed me hard, pushing his tongue inside my mouth. My pussy tingled with anticipation as my fingers wrapped around his thick shaft. Bloody hell, his cock was such a fucking whopper that I felt like I had a winning lottery ticket! Actually, I was a little scared that it would not fit inside me.

I did not get

“He buried his finger deep inside my pussy as his other hand played with my tingling nips.”

much time to worry about it, though, as Bill's hands seemed to be everywhere at once and before I knew it I was standing with my jeans around my ankles while he pulled my T-shirt over my head.

It was still early in the year, and the cold air stung my skin, making my nipples erect. I rubbed my goose-pimpled arms while he lowered his jeans and kicked off his boots. He buried his

finger deep inside my pussy as his other hand played with my tingling nips. His coat was spread out on the grass, and, like a real gentleman, Bill lowered me gently on top of it. Spreading my legs, he pushed his thick cock-head against my slit and began pushing it slowly inside me.

He was thick as well as long, and it felt like a very tight squeeze, so I wriggled around under him trying to get comfortable. Sensing my discomfort he asked if I was okay, but by then I had begun to enjoy the sensation of his larger size and told him I was fine, it was just that his was just the biggest thing I had ever had inside me, but that I was beginning to love it!

He smiled and kissed me, then slowly started rocking back and forth inside me. It wasn't really thrusting at first, just rocking, the gentle motion beginning to get me all juiced up. As his huge throbbing cock began slowly stretching me out, I relaxed enough to experience the real pleasure of such a big cock. Seeing my excitement, Bill started moving more, his hips grinding harder as I slowly started grinding back against him.

“Spreading my legs he pushed his thick cock-head against my slit and began pushing it slowly inside me.”

He lifted himself off me, propping himself up on his hands and asked if I was ready to really go for it. I smiled, and, tightening my pussy muscles around him, I began squeezing his cock harder. He gasped, and I told him: “Yes! Go for it!”

He moved his hips back, withdrawing about halfway, then slammed it back in. As he thrust, I contracted my muscles, making him shudder. He was really big, it was a monster of a thing, and being in the outdoors made the whole experience all the more exciting. I totally lost all inhibitions and raked his back with my nails as I thrust my pussy up to meet his huge hammering rod.

Consumed by pure lust, I cried out encouragement, yelling at Bill to really fuck me! Bill grinned down at me as he thrust again and again.

Miss Behaviour

He teased me by not going very fast at first, but eventually, he sped up until he wasn't really withdrawing that much, but was pounding against me, hard and fast. He pumped more and more quickly, and I tried to keep up, but eventually, I just gave up and

“I thrust my pussy up to meet his huge hammering rod.”

revelled in the feeling of his huge, stiff member pounding into me, his pubic bone slamming into mine.

I finally couldn't take it any more, and as I felt my orgasm ripping through me, I wrapped my legs around his back and wailed as he continued thrusting, ever harder. Shuddering as I came repeatedly, I bit his shoulder in an effort not to scream too loud. Just on cue, Bill gave one last, extra hard thrust, straining against me, then with a low moan he nearly collapsed on top of me, his come filling my pussy.

I caressed the back of his neck and squeezed his softening member inside me as we fought to regain our breath. Then we dressed quickly as we heard someone in the distance calling out to know if we were lost!

Since then our hillwalking days out have been one of the highlights of my week, and come rain or shine Bill and I always make sure we get a little private time together...

Alice, Devon.

ELITE

ELLE

It's been like a redhead renaissance recently, so you can't blame us when we came across the stunning Elle Alexandra. We got all tight in the trouser department, and then we discovered this young lady has eyes for, well, the ladies. Still, if we can't part take, we can have a jolly old time watching a bit of snatch gobbling. Especially if Elle is on the receiving end, or the giving, for that matter. It's all good news for us!

A BED OF ROSES

Gorgeous 23 year old blonde Kali Roses burst onto the scene a couple of years ago and, true to her name, her career's really blossomed since then, having shot scenes with most of the major production companies and really getting in touch with her inner slut...

What was Kali Roses like before fame struck?
I was born and raised in Corona, CA. I was always a very, very, very bad child. Growing up, I was such a problem child. I got into some trouble as a kid and getting in trouble with the cops all the time. I was on probation, I was a nightmare. (laughs) My mother wanted me to be in the house at all times and it brought out this rebellious teen in me. I was always a little slutty too but it all worked out.

So were you promiscuous?
I was the type of girl who, if you broke my heart, I will fuck all of your friends and your brother and your dad, maybe. (laughs) I just always had a very promiscuous psyche. Now, I never have sex unless they're tested. I don't need the type of satisfaction I needed in the past.

Were you with girls at all in your teen years?
I was. I've always been interested in girls. I had 2 girlfriends growing up and one of them actually got me into camming. She's a friend from when I was 14.

Do you have a count of how many guys you were with before porn?
Probably 40, I don't know, it was quite a lot. A lot! I was passed around in a group, I was such a slut! (laughs)

And how long have you been shooting porn?
I started webcamming when I was 18. I started with my best friend under her account. Then I made my own account when I was 19. Then I did a solo for Twisty's, my first shoot

ever in 2016.

So you started webcamming at 18. Why did you decide to do that?
It was 100% for the money. I was working full-time at a clothes store, doing everything my parents wanted me to do. I was a perfect little kid. Sure, I got fucked up when I wanted to but I got straight A's and B's. I was going to college and working full-time but it still wasn't good enough. I ended up doing a girl/girl webcam show with my girlfriend, my first show ever. I made my whole week's paycheck in 2 hours. It was pathetic and I quit the next day. I was miserable and was living for these people who were toxic. They're still not happy so I'm going to live my life for me!

On webcam, what is the strangest request you've ever received?
My strangest request was probably to put ketchup and mustard on my feet. It smelled so bad! I smelled like a sandwich for hours! And I had to get somebody to carry me out of my bed and into the

Keiran Lee for Brazzers. It was so funny because they told me I had to ride a bike with a dildo on it and fuck the dildo while I'm pedaling. First off, you should ask your people if they even know how to ride a bike! (laughs) And then, second of all, they tell you to go up and down this massive hill in California. I mean HILL! And keep fucking this huge dildo. But then I fucked Keiran and it was great. But I literally went into this bathroom and cried. I was like,

'I can't do this! Why did they have me come? I'm so embarrassed! I'm going to fall and it's going to be terrible!' But it worked out and it was my best scene! I also loved my Blacked gangbang. That is also definitely a safe bet!

What is the strangest thing you've ever put inside your pussy?
The weirdest thing for me was, I didn't know it was a thing and I'm more into it now, but it was putting a lollipop in my vagina. At first, I was, 'Is it safe? Is it sanitary?'

For fans that are new to you, what are some of your favourite scenes that you could recommend?
One of my best scenes that I did was with

Who are some of your favourite performers and directors?
That's a hard one. I love working with Elsa Jean. I love the Spanish guys. I've fucked so many people that I forget some! I love working with Mike Adriano and all his different companies. I love Mindgeek. Blacked is good too.

Are there any performers or directors you

would love to work with that you haven't had a chance to yet?

I'd love to work with Madison Ivy and Katrina Jade. Those are the top two!

A lot of the guys in porn are older. Does it ever bother you to work with older men?

No, it doesn't bother me at all.

What's the oldest guy you've banged off camera?

55. I love older men, they're great.

What do you like sexually? What gets Kali wet?

I love neck kissing. Or whisper in my ear; naughty things get me wet. I love to make-out especially with people who know how to kiss.

Are you submissive or dominant?

It depends. I can be submissive if I'm convinced that you're worth being a dominant. Some people just can't do it or turned off by it.

What's your favourite position?

Doggie. I LOVE doggie.

Did you watch porn before you got into the industry?

Yes, I loved porn! The first porn that I ever watched was a girl/girl.

Did you have any favourite stars?

I loved Mia Malkova and Abigail Mac. I watched them a lot. You have good taste in women! Yesss!

When a guy pops, where do you prefer it?

In my pussy. I like it when they cum on my stomach or, butt. But I'm not a fan of the face.

Are you a size queen? Do you like huge cocks?

Yes, I love huge cocks but there's such a thing as too big which I would have never thought

What do you look for in a guy off camera?

I love someone with a good sense of humour and someone that gets my humour. Someone that can make me laugh. Of course, if they're good looking, that's a plus. If they have money, that's a plus. (laughs) And, obviously, I want them to be a good person. And someone that can help me improve myself.

What are you like off-camera? When you have free time, what do you do for fun?

I make music, I have my own studio at my house. I record some things and put them on Soundcloud. I love to workout, I workout a lot! I like to do creative things. I love to create my own content. I want to come out with my own clothing line soon so I'm trying to create things

Interview

for that. Then I have a website that will be launching soon, I'm excited about that. I also love to go to the beach. And shop, of course. Typical girl. (laughs)

What kind of music do you make?

I have a guitar and a keyboard and a microphone. A garage band. Lately, I've just been making skeletons (er, demos? – Ed.). I have 3 songs out but I have probably 6 songs pretty much done. But they're just skeletons and I have to find a producer.

Are you going to release it under Kali Roses or a different name?

Yes, Kali Roses.

Can you tell us about that tattoo on your back.

It says 'Never Run Faster Than Your Guardian Angels Can Fly' on one of my thighs but I

never wanted angels, just because I'm really weird about tattoo artists. I'm not super religious, I believe something's out there but I'm not sure what. I'm not particular to one thing. I like to think that people in my life who have passed away are angels and that I'm going to see them again but I didn't necessarily want that on my back. I have always just been surrounded by roses since my sister passed away and I was 6 years old. From 6 on, I have been surrounded by roses so I think it's a nice representation.

Do you have any favourite movies?

One of my favourite movies from when I was a kid was Mrs. Doubtfire.

What's your favourite TV shows?

Tuca and Bertie.

What's your favourite food?

I could live on Mexican food.

What's the kindest thing you've ever done?

One time, I ended up fucking in a church. We fucked on their stairs.

And how can the fans follow you on social media?

On Twitter, I'm @KaliRoses. Instagram is @thekaliroses. All my links are at kaliroses.com

JASMINE

For this month's cover girl Jasmine Jae, size matters. "I really get off on massive cocks. I did a shoot once with a guy with 11 inches, and while I could barely fit any in my mouth, it disappeared into my cunt, no problem!"
Sorry, we don't pack quite that much.
"Oh, I still like all sizes, I just cum most on big ones. I lose control. But I hate it when a guy has a big dick but shoots a tiny load. What's that about? If I had to choose, an average dick with a good load of jizz to shoot on and in me is just perfect!"
We might be in business, after all...

TINDRA

“My first ever sexual experience was with a girl,” reveals Tindra, “and as much as I love the feeling of a dick inside me, I’ve never given up on my love of pussy. Anyway, you don’t have to decide between the two, you can have both. In fact, having both at the same time is the best feeling in the world.”
 A girl eating your cunt while your mouth is full of cock?
 “Or, licking a cunt while a huge cock is buried in my butt, sounds even better!” Tindra says with a cheeky grin.
 “In fact, any ladies and gentlemen want to put that theory to the test?”

DEAR MEN ONLY,
A knock sounded at my front door on Friday evening. I'd been expecting the knock but the sharpness of it made me jump. Josie was here. This was it – the months of silent yearning were about to end. My stomach fluttered as I made my way to the hallway, checking my shirt and hair before opening the door. Josie was standing there with her hip stuck out, supporting a bottle of wine as she fiddled with her handbag, having juggled her load to use the knocker.

"Couldn't you just have a normal doorbell, like everyone else?" She was chiding me again. I liked it when she chided me – it made me feel naughty. Sometimes I played-up just so she'd scold me. It had been part of our flirtation, a flirtation which looked like it might be coming to something of a conclusion this very night. Josie's dress told me a lot about this, our third date. It was red, seductively red and my eyes lingered on the deep cleavage it left on show as I let her in.

"Hiya, Tom," she said, stretching up for a quick kiss. The contact sent a shiver of delight down my spine.

The instant she was inside, I shut the door and locked it. Only after I'd shot the bolts top and bottom did I realise that I had made a statement of intent – my expectation was that I wouldn't need to open the front door again; that Josie would be staying the night. I turned into the hallway to find her staring at the bolts of the door with those bright blue eyes. I'd just imprisoned her. Perhaps it was that realisation which made her smile.

I took the wine and Josie's coat, exposing what little there was left to reveal of the dress. It was backless, and I loved the way it hugged the cheeks of her bum. It was tellingly-tight, and if there was any underwear under that dress, it was microscopic. "You like the dress?"

Josie asked, fluttering her eyelashes. She was dressed to thrill – for me and me alone.

"I like the woman inside," I said, earning a really sexy smile. Consumed by lust, I kissed her properly, running my hands around her waist and allowing my fingers to subtly

deeply erotic. Sharing a candle-lit dinner with this temptress suddenly seemed like an eternity of frustration – an interruption before possibly the most amazing event in my world. Josie was interesting, funny and beautiful – but something told me that she was going to be amazing

between the sheets.

"Are you hungry?" I asked, breathlessly.

"For food or for..." Josie's words trailed off, but I saw something in her eyes which gave me the confidence to ask for what I wanted. I inhaled deeply, an intoxicating mix of femininity – delicate perfume and shampoo combined, wrapped around me and drew me into the soft, sexy world of Josie.

"Perhaps we could move straight to dessert?" I suggested cautiously. I didn't want to risk being wrong.

"And what's on the menu tonight?" I steeled myself.

"You?" I suggested. Josie let-out a long-held breath.

"Oh, thank god!" Her smile darkened into something which may have been lust, and she pushed into me with delicious force. "Are we alone?"

"Yes." There was a swish of movement, and my jaw dropped as silky red material pooled on the floor around Josie's feet, leaving her naked. I went blank as I stared at her. Completely and utterly blank. Still staring though. I couldn't think of a single thing to say, so I did something instead – I popped a few buttons on my shirt and pulled it off over my head.

"Very nice," Josie purred, running her hand through my chest hair. It was Josie's positive response that kept me going through my fear. I was still afraid that I was making a fool of myself, even as I undid my belt and dropped my trousers and boxers in one easy

"Josie sent me into meltdown as she wrapped her hand around my shaft..."

slide down over her bum. Josie didn't stop me, so I pulled her in closer, kissing her harder and allowed my swelling erection to dig into her belly as the soft firmness of her breasts squashed against my chest. The feel of her body inside the silky dress was

movement. I stood there, naked, all six-and-a-bit inches of my excitement jutting out in front of me. Josie was standing there, looking at my cock, both hands covering her mouth. Her hot stare seemed to be drinking in every detail. "It's so... big," I felt the surge of satisfaction that comes only when a woman sees a man's cock for the first time, and she utters those words. I wanted her all for more for it. Josie sent me into meltdown as she wrapped her hand around my shaft and fully retracted my foreskin. Without thinking, I reached between her legs and ran my fingers over the closely-cropped pubic mound and on into the smooth, soft flesh beyond. I couldn't see what my fingers were feeling as Josie's legs parted – but it was wet and slippery.

"You're so wet," I whispered, as I slid my finger up inside her. Josie gasped at the intimate invasion, and her hand squeezed around my cock as she stroked it. Was she also imagining that it was my cock inside her, rather than just a finger? I manoeuvred her round, guiding her so she was sitting on a stair with my body between her legs. My cock was heading upwards, the purpose clear. There was time for her to stop me, for her to raise an objection, but it never came. The next sound to come out of Josie's mouth was a moan as my cock plunged into the depths of her body.

It felt better than I had imagined. Soft, wet velvet pressed around my cock from all sides as Josie's legs wrapped around my waist. Her hands were on my hips, and parts of her seemed to be pulling me in deeper while other parts were simultaneously fighting to keep me at bay. I tried to obey both sets of instructions by staying still, my cock buried deep inside her. Josie's head was tilted back, resting on a convenient stair, her eyes closed, and her mouth open. Her breasts were jutting upward, the nipples hard. The grip relaxed, allowing me to move freely. I withdrew and eased back in. Josie murmured hotly; although there were no words, it unleashed something wild inside me. All the lust and desire, the passion, and the hunger I felt for her came to the surface in long, hard strokes. I fucked her, and she fucked me

back. It was sizzling, wild sex, hot and out of control. We found a fast, hard rhythm that had her pumping her hips up and down to meet my thrusts. Each and every thrust was maximised, the penetration complete, bringing with it a new surge of energy.

My orgasm was close – every thrust became desperate, threatening to be the one to tip me over the edge. But she came

first; Josie grunted long and hard, her body spasming around the hard length of my cock inside her. Two thrusts later and I joined her peak of pleasure. The blood roared in my head as I

might be regretting what we'd just done; that she might be struggling with some emotional turmoil.

"I think I've got a couple of carpet burns on my back," Josie twisted to try and examine her wounds before turning to show me. I couldn't drag my eyes high enough to examine her back. "Can you see anything?" I grunted a reply. "You need to stop looking at my bum," she scolded. I looked up to find her pouting prettily. I loved it when she did that. I grabbed her and pulled her into my arms, but she turned away before I could kiss her. "No way buster – you need to feed me first." I did feed her and then I took her to bed... and I'm pleased to say that I didn't need to undo the bolts on the front door until Sunday evening.

James, Lewes.

DEAR MEN ONLY,
For the last couple of years, my sex life has been pretty dull. I've been getting plenty enough, but it's just the usual deal – missionary position, occasionally from behind if I'm lucky, but that's about it.

I was working as a financial manager in a small engineering company, but I'd recently received a better offer from another firm with loads more money and so I wrote my letter of resignation to my boss and handed it to him personally.

It gave me great pleasure because he's such a miserable twat. He's quite good looking and strong – probably about forty years old, with dark black hair and a sexy beard – but he's off-hand and cantankerous, making him awfully difficult to like. Having said that, over the time I worked there I couldn't help noticing he'd got an enormous packet, and I'd always fantasised about him fucking me... really hard and roughly.

Anyway, when I handed him the letter and told him I was leaving, I could see he was furious.

"Shut the door, Kate, and take a seat," he said, bad tempered. I shut the door but told him I'd prefer to stand. "So you're shafting me

then are you?" he said, standing up irritably and running his fingers through his hair. "I hate being shafted, I think you know that?"

I didn't know what to say.

"It was OK last time someone shafted me," I ventured, sounding rather meeker than I'd meant to, "not that anyone has for a while."

Jeff sneered and walked up to me, standing so close his chest touched against mine, my hardening nipples poking into his stocky torso.

"So that's what you want, is it? A good shafting?"

This was getting way out of hand, but now that I was leaving it occurred to me that my customary reluctance to have a workplace filing no longer applied.

"I think I deserve a good shafting, don't you?" I suggested blushing.

"I think you do," he replied, frowning at me and trying to be all aloof. "I've looked after you and given you a great opportunity with this company, and now you're pissing off somewhere else."

"Tough shit," I said. I was going for broke, throwing caution to the wind. After all, I was leaving the company anyway so he couldn't sack me, and this was the best chance for a good shag I'd had in ages. I reached for his crotch and made a grab at his packet. Jeff didn't flinch, but I bloody well did; he was hard, and he was huge.

"Oh...!" I gasped. I'd bitten off more than I could chew, but there was no turning back now, and

it was clear what I had to do. I lifted my skirt, dropped my knickers, and then walked over to the desk with Jeff following close behind. I put my bag down, bent over and braced myself.

"You know what girls who let me down get, don't you?" said Jeff, lowering his trousers and unleashing his cock.

"They get a smacked bottom?" I suggested, looking over my shoulder at the mighty tool I knew was about to pump me.

"No, Kate. They get a fucked bottom," said Jeff as he lifted my skirt and started kneading my buttocks. I felt his fingers dip into my sopping sex first, but then he pulled my bum cheeks wide apart and started to dab my anus.

"He withdrew till only the tip of his penis was inside my anus..."

Oh, God, I thought. This is it, I'm finally going to get it up my bum and he's so huge!

"There's a little tub of Vaseline lip balm in my handbag," I pleaded. "Please prepare me properly then you can take me up my bum if that's what you want to do."

I reached underneath me and frigged my slit desperately while Jeff rummaged in my bag for the small metal tin. He found it soon enough,

and the next thing I knew a greasy finger was poking in and out of my tight little anus.

One of my ex-boyfriends had stuck his finger up my bum once, and I'd just turned around and slapped him. But this was different: Jeff was going to fuck me up my arse, and this time I wanted it – big style.

"Oh God that's so good," I moaned, still frigging my slit furiously as Jeff's greasy fingers lubricated my delicate little arsehole. I felt him pull his fingers

out of me, and I looked over my shoulder again to see him applying more lube to his huge, pulsating cock. This was it.

I bit my lip as he pressed his giant manhood against my bum hole. For a moment he teased me, tickling my ring with his purple helmet, but then he pulled my buttocks wide apart, and I gasped as I felt my anus gape. He started to thrust himself up me in earnest, and it seemed like there was no end to his cock. My arsehole gave way to his rampant prick, and he fucked himself hard up me till his heavy bollocks rested against my dribbling cunt.

"Oh my God, that's it," I gasped, bracing myself for him to start pumping me. I'd never felt so full of cock in my life, and I was close to coming as it was, my whole body throbbing as my back passage moulded itself around his thick meat.

He withdrew till only the tip of his penis was inside my anus, and then rammed it right back up me, hard and fast. I wailed as my cunt gushed, hot juices running down my inner thighs as Jeff pumped my little bottom for all he was worth. I looked over my shoulder and saw Jeff's eyes screwed up, his teeth gritted like he was in some kind of pain as he ploughed me. Strange – it was me getting my arsehole fucked, not him.

He lasted for ages, and I frigged myself the whole time. I had one almighty orgasm brewing by now, and I knew Jeff wouldn't be able to hold out much longer.

At last, he gave me an extra hard fuck, leaned over my body, and blasted his hot sperm deep into my back passage. As soon as I felt him spew inside me, I went over the edge too, my cunt squirting all over Jeff's emptying balls.

He never said another word to me. He simply wiped his cock on a handkerchief and waved at me dismissively, the stuck-up bastard. But I'd got what I wanted, and the best thing I can say about him was I liked having his come up my bum, even he had his little compensations!

Kate, Darlington.

"Josie's hips lifted...the clenching of her pussy milking my cock."

exploded inside her. Josie's hips lifted up and thrust against me, the clenching of her pussy milking my cock.

I buried my face in her neck as she clung to me, and we shared the sweet, comfortable silence of amazing sex. Eventually, Josie shifted beneath me. "You might need to get off me now."

"Are you OK?" I asked, worried that she

Digging for gold is taking on a whole new meaning in the BBC's adaptation of Elenor Catton's 2013, Booker Prize-winning novel. Set against the backdrop of New Zealand's rugged coastline in 1866, we find ourselves confronted by a woman in a pink frilly dress, a dead body and a native New Zealander who survives being shot, through the fortune of a metal pendant. This murder mystery requires a sharp mind to gleam the golden nugget of truth, as we follow the lifeblood of the island, the obsession of its inhabitants, and all who travel to its shores; gold-digging. It's all here in sumptuous period detail, brothels, opium consumption, underhand business dealings, astrological fortune-telling, starcrossed

lovers, and political intrigue. There's so much delicious detail, that this adaptation's departure from the bewitching book, isn't worrisome. It's pure escapism, backed up by a cast who reel you in like the catch of the century.

Anna Wetherell (Eve Hewson), our spirited young heroine, sets out to New Zealand from London, alone and in mysterious circumstances. Before alighting the ship onto unfamiliar soil, she meets Emery Staines (Himesh Patel), their fates intertwine. However, their onshore rendezvous is scuppered by shrewd Lydia Wells (Eva Green) who sweeps Anna up. Captivating, relentless and just a joy to watch, catch up now.

Le Mans '66

DVD £9.99 Blu-Ray £14.99

Tinkering is part of the road to manhood, I remember my father pulling broken things apart on the kitchen table, much to my mother's exasperation. Sometimes he fixed them, sometimes it was a fool's errand. So if you feel the need for something slick and mechanically charged but lack a garage and something to tinker with, then James Mangold's Le Mans '66, should get your engine roaring. Focusing on the rivalry between Ford and Ferrari this film has tyre ripping grip on the screen, with immersive race sequences, punchy relationships between the pen pushers and pit boys, and a whole lot of gumption. Christian Bale is exceptional as driver Ken Miles, and Matt Damon swings it high as Texas can do man Carroll Shelby.

Dracula

DVD £12.99 Blu-Ray £17.99

We've come along way from the silent foreboding of Nosferatu, the unauthorised adaptation of Bram Stoker's 1897 novel, Dracula. Over the past century the imagery of the Vampire has turned from a grotesque blood guzzling monster to a sexy, sophisticated, neck nibbling, almost perfect dinner date (just think, he wouldn't pinch your chips, or hog the wine...but he might start on you). This latest offering from the Steven Moffat has kept on trend with the almost rock star embodiment of our pointy-toothed fiend, with a sprinkle of contemporary relish, that rounds of this adaption, as a bite of something slightly different. Sister Agatha Van Helsing (Dolly Wells) was a well placed character move that adds an extra dimension.

TINA

TINA

Tina has a body we're struggling to do justice to with words. We're reaching for 'athletic' and 'perfect' as starting points. You must hit the gym a lot, Tina?

"The gym? Ugh. Never," she reveals. "We all know the best exercise, don't we? My thing is being on top, riding cock. I know most people do it for a bit during their fucking, a couple of minutes with the girl on top. Me? I can slide up and down on a hard cock for an hour. It's good for my thighs, it's good for my calves, good for my stomach and, best of all, it's good for my pussy and clit!"

Tina, do you want to be our personal trainer?

Crumbs if anybody's married to the perfect wife, we'd like to hear about it. If this is what the loves get up to behind closed doors, we'll be down on one knee in no time!

Lay Her Down

Digital Playground

Cast: Aubrey Rose, Bailey Brooke, Caroline Sweets, Gia Page, Mariah, Mila Marx, Brannon Rhodes and Johnny Castle.

4/5

Synopsis: Poor Vanessa. She never could keep her mouth shut. If she hadn't written down all her friends' dirty, slutty secrets – maybe, she'd still be alive! But Vanessa's friends are too busy secretly fucking all the wrong men to feel guilty. That is, until girls start disappearing...

Verdict: Well folks, it's not Halloween yet but this month we seem to be following a sinister theme, with all out slutty behaviour and this little gem from Digital Playground is no different. As secrets are literally laid to rest, after the discovery that one among them has been writing them down, these ladies show that they go to any lengths to hide their trysts. So sit back and relax into 3h and five mins of college coach hammering in the locker rooms and friends getting down and dirty in the bath. But between mouth fulls of gash, is there something lurking and waiting for revenge? Well, if there is, we hope they can wait till the scene is over as watching Caroline Sweets and Mila Marx comfort each other is a sight to behold. A sexy, dark thriller with a killer twist!

Luxure – The Prefect Wife

Marc Dorcel

Cast: Nikita Bellucci, Samantha Bentley, Mina Savage, Ariel Rebel, Megan Rain, Alberto Blanco.

Synopsis: Megan, a young American woman, comes back to Paris to meet her husband Ricky after a long stay abroad. Ricky has some very strange manners. To celebrate their reunion, he invited another man in. Held with a leash like a little pet bitch, Megan will gladly play the role the two men gave her and will show them that she can be very obedient, even more so with a dick in each hole. On her husband's request, Nikita started the evening by wandering in the streets only dressed in her most beautiful lingerie and high heels. On the way back to her apartment, she discovers that her husband had invited two friends. Without a word, she surrenders to their most perverse desires for the night. Pleasure is even better when it's shared. Megan, Ariel, Nikita and Mina will experience it through five hardcore and intense stories. Between seduction and domination games, they will discover sensations they didn't even know existed.

Verdict: This is a game of domination, and these wives will submit, rather happily it seems to the whims and wishes of their husband's perverse minds. There's a lot of action to keep up with from Nikita wandering the streets in some thrilling lingerie to chain and whips that cut quite a sting. This is fantasy that feeds the dark recesses and explores the controlling nature of humanity. An excellent watch if you enjoy role-playing, bondage and domination.

SPARKLEJEY

Photos: DazGlam

S Sparkley, you could say there's a certain glint in the eyes of this one. Oh no, sorry, that's her name. Seems appropriate to me, in any case.

"Tosser! Trying to take the piss out of my name! You just watch as I hold my pussy lips open so you can see the pink flesh of my hole. Then you won't be so smug."

You're right, we won't be smug then, we'll be on our knees hoping to get a taste of your hot juices.
